

USER CASE DIAGRAM

USER CASE DIAGRAM 1

User should be able to login the cooperator servicing with their date being safe and cooperator should correctly authenticate the user.

USER CASE DIAGRAM 2

Once user logs in, the first thing they need to do is fill out the co-op acceptance form. The form will then be sent to the Co-op Administrator. Once evaluated and approved, it will be sent back to the student as approved and they can begin using the system.

USER CASE DIAGRAM 3

After the co-op acceptance form is evaluated and approved, the student must upload the internship contract. Employer can see the contract whenever needed.

USER CASE DIAGRAM 4

Within the first 2 weeks, the student must upload all the work and tasks given initially. If initial tasks are not done then system will notify student and an email about the student will be sent to the Academic Program Manager.

USER CASE DIAGRAM 5

At the end of the co-op term, the student will only get all credits once they finish the evaluation form and is approved by the term instructor. The student may modify form if it was not accepted.
